

Carbon Dioxide (CO₂) Monitor

Department for Education Guidelines and our Monitors

- ✓ CE Approved
- ✓ Portable as preferred
- ✓ Electrically powered as preferred
- ✓ Monitor the room at all times
- ✓ Alarm to alert when air quality is poor

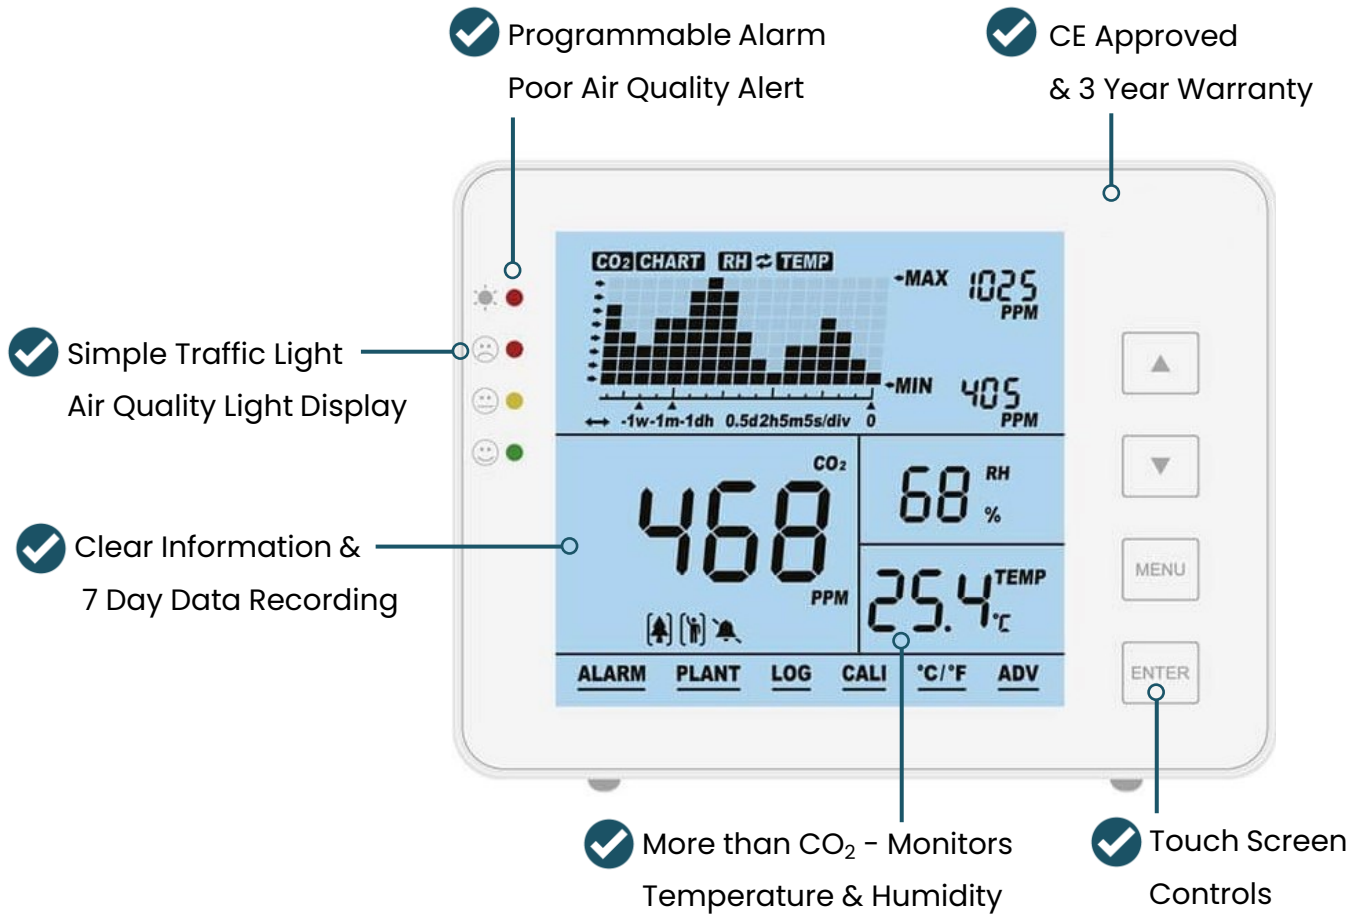

Covid 19 has

“put into sharp focus the unsuitability of many school buildings and other facilities for modern teaching and learning.”

Michael Gillespie | Teachers Union of Ireland

Carbon Dioxide (CO₂) Monitor

Specifications

Warranty	3 years	For CO₂ measurement	Yes
Connection	USB naar mini-USB (230V)	For humidity measurement	Yes
Width	120 Millimeter	For temperature measurement	Yes
Depth	35 mm	Measuring range CO₂	0 - 5000 ppm
Height	90 mm	Measuring range humidity	5 - 95% RH
Startup time	10 seconds countdown	Measuring range temperature	0 - 50 °C
Cable length	1 m	Operating temperature	between 0°C and 50°C
Operating humidity	between 0% - 95% (non-condensed)	Weight	0,170 kg
